Meeting Facilitator	Aryan Chandra
Meeting Details	January 11, 2024
Meeting Invitees	Hasaan Toor, Mubarak Abiola Keshiro, Melissa Hunchak
Minutes:	

Topic	Summary of Discussion/Decision
Discussion of project and acquiring feedback	- good images and information for symptoms/flowchart https://veterinarypartner.vin.com/ - One eye or both eye infected, do they seem in pain? - Tooth related diseases, - Differentiate conditions where going into vet is necessary or if you can deal with it at home - Opinion of hifi - looks good, combining pictures and symptoms would be good - Symptoms, flowchart option or list of symptom options, or chatgpt api - Time frame is important for symptoms, how long has it been going on - Animal behaviour, how they act normally vs with disease - background of animal, other pets at home? have they been in contact with other animals recently (dog park, kennel, etc) - dog disease - kennel cough, respiratory infection common in dogs
